*Hello Prospective SPMF Sponsor, and welcome to the
Crossroads of American MOPAR!*

The Southern Plains MopAAR Fest (SPMF) is once again promoting our MOPAR ONLY Street Drag Racing/Car Show/Swap Meet/Car Corral event located in Bristow, Oklahoma.

A portion of our proceeds from our event will be benefiting the Bristow Historical Society and the relocation, restoration and

relighting of the 102-foot-tall CHRYSLER PLYMOUTH TOWER that was installed in 1949!

We expect well over 300+ car show participants, 100+ race cars and foresee a huge attendance of in state/out of state Mopar club members from the east and west coasts! The SPMF owners have promoted this show across the web and in place at the largest All Mopar Events to include the Chryslers at Carlisle and the Minnesota Mopars in the Park annual shows!! We've traveled from the east to west coasts passing on our event/flyers, show information and showcasing the iconic CHRYSLER/PLYMOUTH "TOWER of POWER", miniature version!!

Our event captures the hearts of all Mopar fanatics as well as JEEP, RAM, and AMC enthusiasts alike. This year's event is once again coupled with the annual Bristow, OK Tabouleh Fest that annually draws over 10k attendees!

The Southern Plains Mopar Fest is nestled on ROUTE 66 in Bristow, Oklahoma right between Oklahoma City and Tulsa, Oklahoma. In 2021, 2022 and 2023 our SPMF event drew National Mopar attention from enthusiasts from all over including the Mopar Collectors Guide and Chrysler Power Magazines who both published articles regarding this epic all

MOPAR event! You can find these articles and full-page magazine ads in the current publications. The SPMF is on the worldwide **Mopar map!** The SPMF couldn't have picked a better location to host this event and to work with the professionals at the Bristow Oklahoma Historical Society!

The SPMF is Veteran owned and promoted by two Retired Military Veterans whose combined service to our great country is over 60 years. Matt Hindi and Doug Cataline also have over 75+ years in the Mopar hobby. Their interest and passion continue to push this event to a new level of excitement with only the sky as the limit! We are the only known **ALL MOPAR EVENT RACING, ON THE MOTHER ROAD, ROUTE 66!!!**

The SPMF continues to grow this annual event into the premiere Mopar event not only in Oklahoma but the surrounding states. This is the “go-to” event for all MOPAR competitors and enthusiasts alike. For you, “**the potential sponsor investor**”, this is a long-term promise. Your sponsorship will follow our promotional advertising year after year.

The SPMF looks to develop long term partnerships with the Sponsors, local and national business owners, and continues to highlight the wonderful people of Oklahoma and provide

premiere entertainment at affordable prices. We are ready for the ***ROUTE 66*** 100th anniversary in 2026!!!!

Enclosed is the race/show sponsorship available and contract proposal, to better define the deliverables and services provided by Southern Plains MopAAR Fest. SPMF will be utilizing several forms of marketing to include social media, programs, billboards, TV, and radio etc. With your support and donation, your investment will ensure to grow this already multi-day event!!

This year's event will be conducted Friday and Saturday 10-11 May 2024, with an ice breaker "meet n greet" on 09 May 2024. Our 2024 sponsorship is off and running, so we invite you to get in on the SPMF while you can and remember all sponsorship will show support for the event and highlight your business to the surrounding communities and national attendees.
